Pikeville College boasts a high acceptance rate of its students to various professional school. Dawn and Greg Allen are two students who have chosen this road to continue their educations. This coming fall, both of them will begin dental school at the University of Kentucky. They have been fine additions to the Pikeville College family. They will be greatly missed.

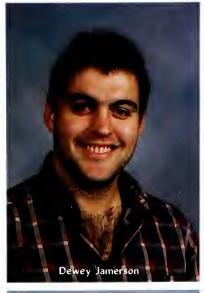

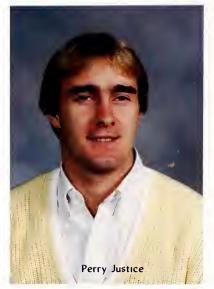

Seniors

A wonderful opportunity began this year for many dormitory students. The college's newest dorm, Page Hall, was re-opened. The building can house about 68 students. Although only the first floor was open, the other floors will open as enrollment increases.

#### 56th Mt. Laurel Festival

# Kim Maynard represents PC

The Mountain Laurel Festival, held each May at Pine Mountain State Resort Park, culminated in an old-fashioned pageant at the natural amphitheater at Laurel Cove.

Kim Maynard, a junior majoring in elementary education, represented Pikeville College in the festival queen competition.

The 3,000 spectators gathering at Laurel Cove to watch the coronation of the 56th Mountain Laurel Festival queen must have been impressed with the beauty of the mountain laurel.

Kim (top right and left) and the other candidates paraded in front of a reflecting pond and curtsied to the crowd. During the four days of the festivities Kim made many special friendships with the other girls (bottom).

### Celebrated In May

Kim (top, left) and the other candidates carried bouquets of mountain laurel, the symbol of Pineville's annual festival. The pink flowers and glossy dark foliage have been grabbing attention since 1931, the beginning of the pageant. The festival included a parade through Pineville early Saturday morning. Kim (top, right) was driven by one of the many festival committee members. Several friends traveled to Pineville in support of Kim during the coronation (bottom). Terry Epling, Rhonda Coleman, Tonya Bailey, Gary Thrash, Kim, Susan Huffman and Pam Rachella posed for a picture.

#### Final Tribute To Todd May

It was the final college game for Pikeville's Todd May, the leading scorer in America for the past two seasons. May had 33 points, 10 rebounds in his teams loss against Georgetown College in the District semifinals. The senior from Virgie was 12 of 20 from the field (60 percent) and nine of 10 from the free throw line (90 percent).

"Tonight, we say good-bye to one of the greatest players in all of basketball," said PC Coach Greg White. His team finished the season 21-10.

May finished his career at Pikeville College with all the school scoring records. He had 2,225 points in 59 games (two seasons), for an average of 37.7 points per game. That is the best career average in the history of the NAIA, and the second best career average in the history of four-year college basketball.

He scored a school record of 1,243 points this season, an average of 40.1 points per game, the fifth best season average in the history of the NAIA. In two seasons, May also averaged 15.5 rebounds per game.

May was consistent enough that he scored 30 points or better in 48 of his 59 games; 40 points or more in 25 games; and scored 50 points or better in six games. His career high, and the school's single-game record, came on November 22, 1986, when he scored 59 points against Bristol College.

This season, May helped Pikeville College to its first 20-win season in 10 years.

But number 22 just wasn't to be Tuesday night against Georgetown College, as the Bears missed a front end bonus free throw and two short jumpers in the final two minutes of

#### Bears Win Two

The Pikeville College Bears improved to 4-2 overall (2-I in the KIAC) with two recent wins. On Saturday, PC downed Thomas More at home 90-7I. All-American Todd May led the way with 42 points, I4 rebounds, five steals and three assists. May was I8 of 32 from the field (56 percent) and six of six from the line.

May got some good help on the front line from sophomore Reggie Gravely, who had 16 points and 13 rebounds. Terry Conley added nine points for the Bears, and Mark Rowan had seven.

On Monday night, Pikeville rolled past Clinch Valley for their second conference win, 88-67. May hit for 49 points and pulled 15 rebounds. Gravely had 12 points.

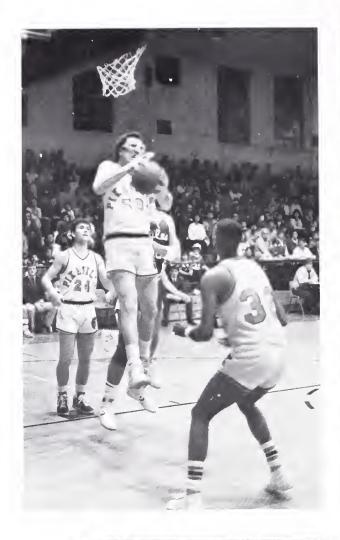

#### Bears Hold Off Berea Comebacks For 82-73 Win

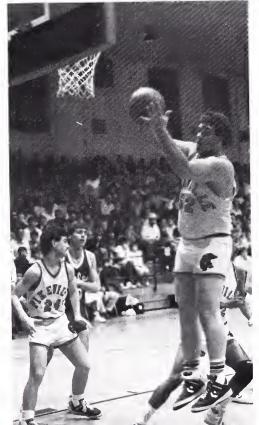

Pikeville College built a I4-point lead late in the first half, then held off two runs by Berea College, to down the Mountaineers 82-73 in a conference game at the PC gym.

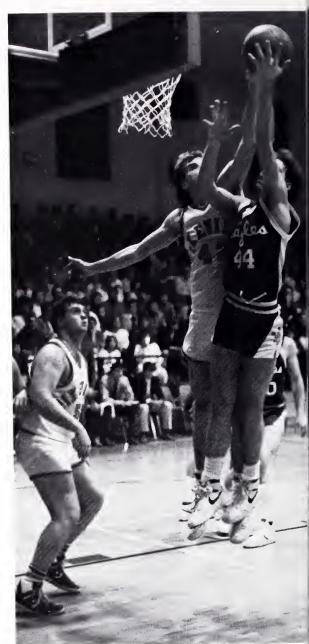

The Bears improved to 8-4 in conference play with the win, Il-6 overall, and moved one step closer to a home berth in the KIAC Tournament. PC is in third place in the conference, three-fourths of the way through the schedule. The top four teams in regular season play earn home berths. Berea and Union are tied in fourth place, at 4-6.

PC won Tuesday night's game with Berea despite having four starters play with the flu, including All-American Todd May, who was still far above the average mortal despite his sickness. May scored 35 points and pulled 15 rebounds, despite struggling with foul trouble in the second half. The senior forward hit I4 of 22 from the field (64 percent) and seven of nine free throws (78 percent).

Junior Mark Rowan hit 10 of 13 shots from the field (77 percent) and contributed 23 points in an outstanding performance. Rowan helped silence Berea's rallies with critical points in two situations — six in a row between the 12 and 10 minute marks, then seven consecutive points between 2:41 and 1:37.

#### Bears Win On Road

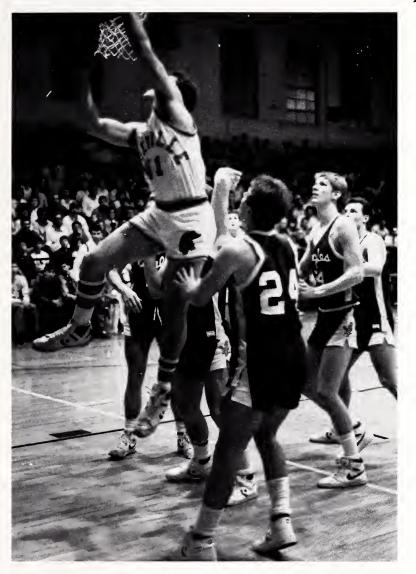

PC got its first road win of the season in a conference game at Berea, 90-82. The Bears improved to 6-5 overall and 4-3 in conference play with the win.

Todd May hit for 38 points, pulled 10 rebounds and handed out four assists to lead the Bears in the win. May made 14 of 22 from the field (64 percent) and 10 of 10 free throws.

Brett Meade hit for II points, and Donnie Jones had IO points and four assists. Reggie Gravely had eight points, five rebounds. Mark Rowan hit for eight points.

#### Bears Win In OT At Kentucky Christian

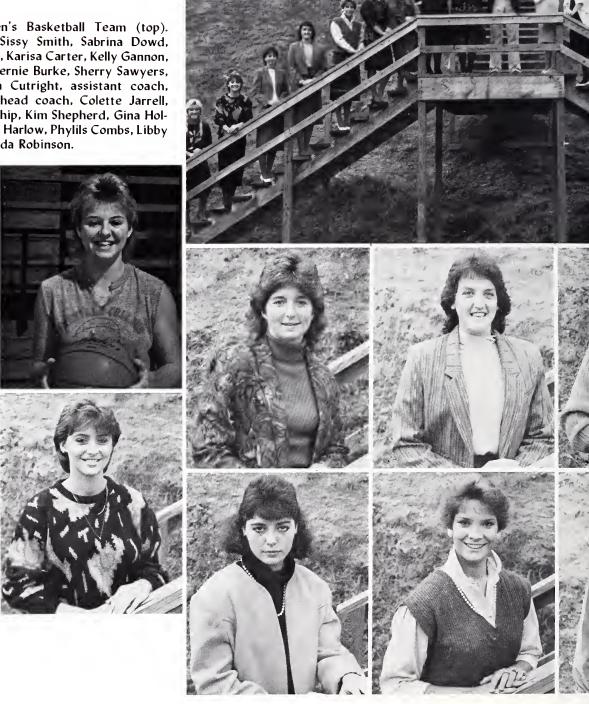

The PC Bears needed an overtime period to down a stubborn Kentucky Christian College team 74-67. Before a packed house, upset-minded KCC led the Bears late in the game by as many as six points. The Bears outscored the Knights II-4 in the extra five minutes.

For PC, it was the third overtime game of the season, and the third overtime win. The game has some bizarre twists. In pre-game warmups, Reggie Gravely broke a rim with a dunk, and delayed the game 45 minutes.

Early in the second half, Todd May and Gravely were both injured on the same series of play. May tried to save the basketball at one end and ran into the wall; Gravely turned his ankle on defense, while May lay on the other end of the floor recovering from his crash.

#### Team Loses By Two In District 32 Finals

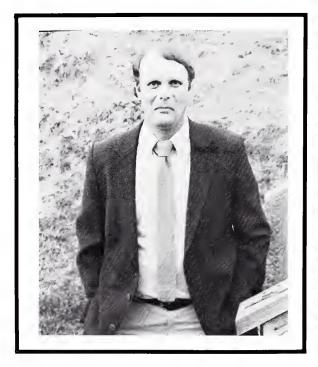

#### Lady Bears Win At Georgeown

The Pikeville College Lady Bears finished their conference schedule with a 70-56 win at Georgetown College. The win pushed the Lady Bears' overall record to I4-II, and tied them for second in the conference at 6-4.

Pikeville College trailed Georgetown 30-27 at halftime, but once again came back in the second half to claim the win. The Lady Bears outscored the home team 43-26 in the second half.

Karissa Carter led the Lady Bears with 16 points. Bernie Burke added 13 and Libby Fairchild had 10. Tammy Tussey had nine points and 10 rebounds. Kim Shepherd added eight points.

#### Lady Bears Earn Road Win At Union

The Pikeville College Lady Bears fell behind early by double digits, trailed most of the game, but rallied late to defeat homestanding Union College 77-73 in Barbourville.

The Lady Bears evened their record at 10-10 with the win, and moved into fifth place in NAIA District 32. Only the top four teams will receive bids to the district tournament, due to an error by the KIAC, and Pikeville is currently battling for the fourth berth with Campbellsville and Alice Lloyd.

Sophomore Karissa Carter led the Lady Bears with 17 points and 10 rebounds in the win. Carter hit five of eight (62.5 percent) from the field and seven of eight (87.5 percent) from the line.

Senior Bernie Burke had I5 points and three assists for the Lady Bears. Sophomore Phyllis Combs hit seven of nine (77.7 percent) from the field for I4 points, and pulled IO rebounds. Freshman Libby Fairchild had IO points and junior Kim Shepherd hit six of six free throws to contribute eight points.

#### Lady Bears Split Conference Games

The Pikeville College Lady Bears won a close one, and lost a close one, in two conference games at the college gym. On Saturday night, Bernie Burke hit a short jumper in the final IO seconds to help Pikeville gain a 64-62 win over Georgetown College.

The Lady Bears had to come back from a sevenpoint halftime deficit to earn the win, their second conference win of the season.

Burke led the Lady Bears in the win with 16 points. Tammy Tussey had 13 points and seven assists. Karissa Carter hit for nine points, and Phyllis Combs had eight. Sabrina Dowd contributed six, and Libby Fairchild had five points, II rebounds.

On Monday night, the Lady Bears were on the short end of a close game, dropping a 75-72 decision to the conference's number two team, Campbellsville.

PC led by as many as IO points in the first half, before an I8-4 rally in the final 7:45 of the half by Campbellsville gave the Lady Tigers a 35-31 half-time lead.

#### Lady Bears Roll To District Finals

The Pikeville College Lady Bears moved one step closer to a national tournament berth with a surprisingly easy 74-54 win over Transylvania University in Lexington.

The win at Transylvania (2I-6) seemed almost too easy, as the Lady Bears led from the opening tip-off to the final horn. PC took a quick 6-I lead on six points by Kim Shepherd, and built the lead to seven points (I2-5) on a Bernie Burke shot at I3:43 in the first half.

Transy got as close as four points (14-10 and 18-14), but the Lady Bears led by as many as 14 points (29-15) before halftime. PC held a 36-27 halftime lead, after hitting 16 of 23 shots from the field (70 percent) in the first half.

Transy made a run at PC early in the second half, and came within five points on two occasions.

Tammy Tussey went inside for two at 14:47, then Libby Fairchild got a couple of layups to push the lead back to II points with 13:28 remaining.

Transylvania could get no closer than nine points the rest of the game, as the Lady Bears continued to pull away. The biggest lead of the night was the final margin of 20 points.

Pikeville hit 32 of 50 from the field, a red hot 64 percent. Transylvania converted 20 of 49 field goals, for 41 percent.

Six players were in double figures. Freshman Libby Fairchild led the Lady Bears with 17 points, four rebounds. Tussey had 13 points, 13 assists and seven rebounds.

#### PC Lady Bears Crush Lady Cavs

Pikeville College rushed to a 12-0 lead and never looked back, crushing the Clinch Valley College Lady Cavs 92-14 at the PC gym.

Clinch Valley was never in the game, as the Lady Bears were up 12-0 with only five minutes gone. Coach Roy Cutright took his starters out with 14:29 left in the first half, and cruised to a 44-10 halftime lead.

The second half brought no better hope for the Lady Cavs, as PC scored the first 33 points of the last half, taking a 77-10 lead. CVC finally scored with 5:05 left in the game, and added one more bucket before the game ended.

Pikeville's starters for the game played about I3 and one-half minutes, outscoring CVC 34-0 in that time.

Four Lady Bears hit double figures, and 13 players scored. Bernie Burke led the way with 14 points and seven steals. Regina Holbrook had 2 points; Sabrina Dowd added Il points and five steals; and Patsy Blankenship had 10 points, eight rebounds. Libby Fairchild contributed nine points. Sissy Smith hit for six points, had six assists, and Tammy Tussey had six points, and four assists. Kelly Gannon pulled nine rebounds, and Kim Shepherd claimed six boards.

Lady Bears Sneak
By Alice Lloyd College

Kim Shepherd hit a 10 foot baseline jumper with 20 seconds left, and Pikeville College held off Alice Lloyd for a 74-72 win in a Kentucky Inter-collegiate Athletic Conference womens game.

Shepherd, starting her first game as a Lady Bear since transferring from Marshall University, put up the shot just before the 30 second shot clock expired. Alice Lloyd moved the ball to midcourt, and called a timeout with IO seconds left.

But Pikeville took the ball away on the inbounds play. Tammy Tussey was fouled, and missed both of her free throws at 0:05.

Shepherd deflected a long pass at ALC at the buzzer to preserve the two-point win, avenging a loss at ALC in November.

PC led by as many as five points late in the game, before Alice Lloyd came back to tie the game at 72 on a free throw line jumper by Anita Wells at 0.51.

Steve Priode (right), a 1985 graduate of Pikeville College, was named head baseball coach for the 1986-87 season. Priode, a stand-out player for Paintsville High School and later a baseball scholarship student at Pikeville College, is also employed as an admissions counselor. "I love baseball," he says. "Always have and always will. This is one of the greatest opportunities I've ever had. I am really excited about this year."

Priode became interested in baseball at age five and has been involved in the sport in some fashion ever since that time. He was a member of the Paintsville High School team of 1981, a team that twice made it to the state tournament finals. After playing four years of high school ball, Priode was recruited for Pikeville College by then baseball coach Paul Butcher (now athletic director). He played three years at Pikeville College before the sport fell victim to economic cutbacks.

He continued playing in summer leagues, even organizing and coaching a semi-pro league during the summers of 1985 and 1986. Priode worked as an assistant coach at Pikeville High School during his student teaching experience in 1985. He helped guide the team to a spot in the finals of regional play, only to lose out to his alma mater — Paintsville.

The new coach expressed cautious optimism when asked about the upcoming season. Bears' baseball began with a home game against Union College on March 3l. Since many of his players have been away from competitive baseball for as much as three years, Priode emphasized fundamentals. "We're going back to the basics," he explained. "It's going to take probably three to four years to have a really competitive team in this league, but I believe that we can probably win a few games this year."

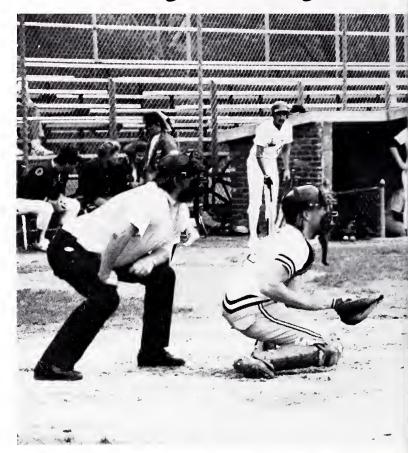

The Bears played nine double-headers, and the home field was the Hambley Athletic Center and the Bob Amos Recreation Park.

Working with players is not the only job on this young man's mind. "I think it's really important to simply establish the fact that baseball is back at Pikeville College. This is the first team since 1983 and we need to get the community to come out and get to know us. I read somewhere that the word team actually stands for 'together each accomplishes more'. I believe that makes a lot of sense. So, if we accomplish just that much, letting the community know that we have a team, winning a couple of games, and having a good time, then I believe we've accomplished a lot."

#### PC Players Get Into The 'Swing Of Things'

The Pikeville College baseball team played their home games at the Hambley Athletic Complex and the Bob Amos Recreation Park. Donnie Stump, Phelps, (top) swung at the ball for a base hit. First year coach Steve Priode (bottom, left) talked with Union College's coach before the game between the two conference teams began. Freshman Raymond Ferrell, Harts, West Virginia, (bottom, right) jumped high for the ball, but was unable to tag the player in time.

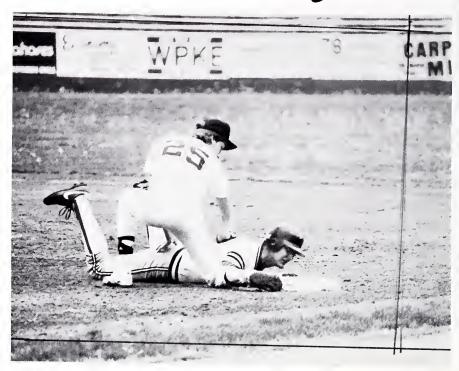

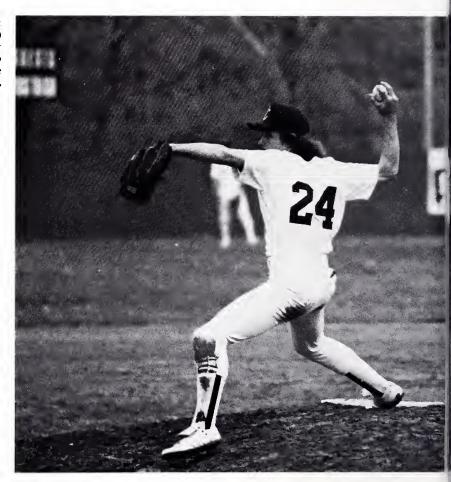

George Ilic, pitcher, and Keith Varney, catcher, (top, right) called a time out to discuss a new game strategy.

#### UK'S Dickey Outlines Plan

(Information in the following article was written by Terry Spears, Sports Editor, Appalachian News-Express). Assistant basketball coach James Dickey of the University of Kentucky outlined to the athletes, parents and fans of the Pikeville College sports programs at the PC Athletic Banquet, Monday, April 27, 1987.

Along the way to presenting what he called "common denominators" of successful people, Dickey observed that college athletics today is burdened by pressure to win games.

"We're (coaches) hired and fired to win basketball games," said Dickey. "That's one of the problems that you have in college athletics today. If you don't win, you're not gonna keep your job."

Added the six-year sidekick to Eddie Sutton, "But I still believe, and our staff believes, that you must graduate young men and turn out people who can go into society as quality citizens."

Dickey said that the "first thing we want is a young man that is a good student. We want all of our players to graduate. They must be a student-athlete."

He talked about a "few key points that will work for anyone, not only in athletics, but in a bigger game — the game of life."

The five-points Dickey discussed were: first, a positive mental attitude. "Second, all these people (winners) are disciplined. You don't always get to do what you want to do in life, you have to do what you have to do ... Discipline is doing what you are supposed to do, when you're supposed to do it, as well as you can do it, and doing it all the time.

"Third, be enthusiastic. Not only about sports . . . but about life. Life is fragile. You should live it every day with enthusiasm and learn to love life.

"Fourth, be committed ... Vince Lombardi said that, 'The quality of a man is directly proportional to his committment to excellence.'

"Fifth, believe. Number one, believe in God. Second, believe in yourself. Say I can ... Dream. Picture yourself being successful. It's hard to convince someone else to believe in you if you don't believe in yourself."
